

WORLD AIDS DAY LUNCHEON EMAIL TEMPLATES

World AIDS Day takes place on December 1st each year. It is a worldwide effort to unite in the fight against HIV, to show support for people living with HIV, and to commemorate those who have died from an AIDS-related illness. Founded in 1988, World AIDS Day was the first ever global health day. World AIDS Day is an opportunity to show solidarity with the millions of people living with HIV worldwide. Most people do this by wearing a red ribbon on the day.

RAIN's World AIDS Day Luncheon will be held on Friday, December 1st, at the Omni Hotel, 132 E. Trade Street. Networking begins at 11:30 AM, and the program is from 12:00 to 1:00 PM. Ramona Holloway will host the program, and it will include an inspiring video and speaker testimonials. Greetings will be made by our Presenting Sponsors Duke Energy, Lowes, Rosedale Health + Wellness, and ViiV Healthcare.

YOU can do more than just wear a red ribbon! Help us meet our fundraising goal of \$100,000. Customize the email templates below to invite your guests and follow up with them between now and December 1st.

EMAIL TEMPLATE #1 for Table Hosts inviting NEW Friends/Family/Colleagues

It has been over 40 years since doctors in Los Angeles and New York started reporting rare illnesses among gay men. The illness, then called AIDS (Acquired Immune Deficiency Syndrome), was soon found to be caused by HIV (human immunodeficiency virus). Since 1981, 77.3 million people have contracted HIV and 35.4 million have died of AIDS-related illnesses worldwide.

I have not forgotten the devastating losses of the early days of the HIV pandemic. Each year, I pause on World AIDS Day to remember those lost and celebrate the strides made to stop this disease.

Will you join me in commemorating World AIDS Day this year?
